

Fund Accounting Software

Improve operational efficiency and maximize returns.

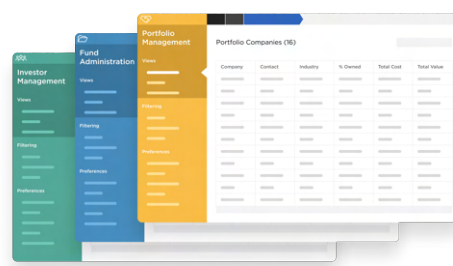

A part of the Relevant EquityWorks Platform:

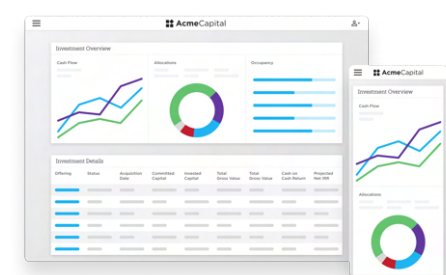

Capital Raising Portal

Our groundbreaking way to share new fund and direct investments, and let LPs invest.

Fund Accounting Software

Now in its 9th generation, tools to simplify fund management and drive efficiency in your back office.

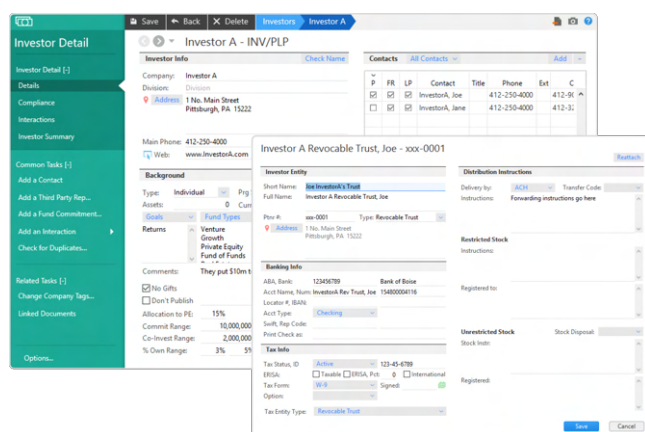

Investor Portal

An immersive experience that delivers the transparency your limited partners deserve.

Tools of the trade for your back office.

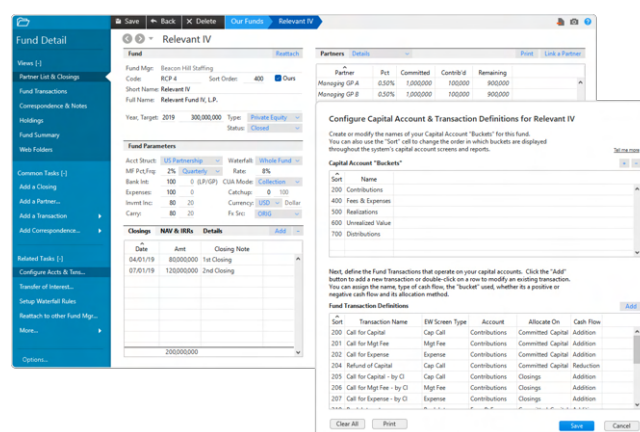

After you've raised money with our Fund Raising Portal, introduce your fund accounting team to a new level of convenience and drive unprecedented efficiency through your back office.

Investor Management

Track investors and their entities, contacts, notification preferences, KYC details, and commitments.

Fund Administration

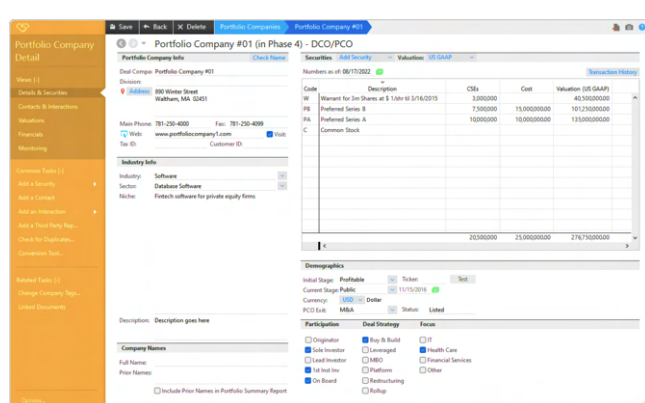

Model your fund or direct investment's structure, entities, closings, share classes, capital accounts, and waterfall.

Investor Reporting

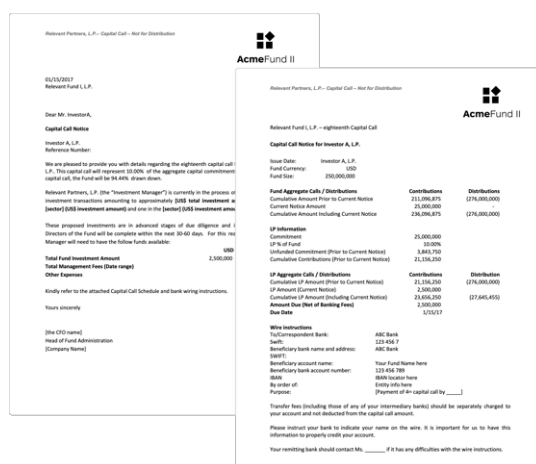

Generate industry-standard quarterly reports, capital account statements, capital call notices, and more.

Portfolio Management

Invest in funds, portfolio companies, or properties. Then, manage securities, quarterly revaluations, cap tables, and financials.

LP Communications

Email notifications to your limited partners, or post them to the Investor Portal.

Accounting Systems

Seamlessly integrate and share data with popular accounting software and general ledger solutions.

Relevant delivers software experiences that help private equity professionals get more done, with less effort, while enhancing communications and transparency for your fund's investors.
