

# Investor Portal

Securely communicate with investors and let them explore detailed performance data.

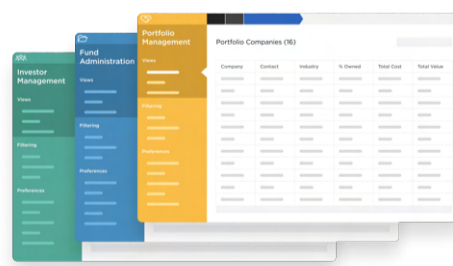

A part of the Relevant EquityWorks Platform:

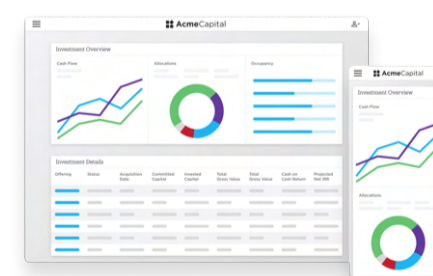

## Capital Raising Portal

Our groundbreaking way to share new fund and direct investments, and let LPs invest.

## Fund Accounting Software

Now in its 9<sup>th</sup> generation, tools to simplify fund management and drive efficiency in your back office.

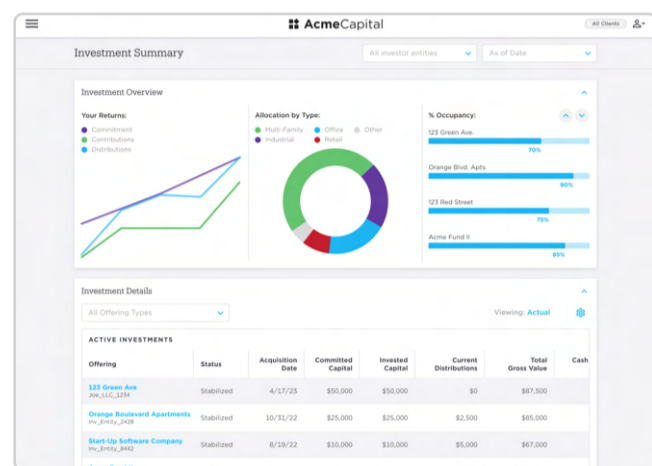

## Investor Portal

An immersive experience that delivers the transparency your limited partners deserve.

# An immersive experience that delivers the transparency LPs deserve.

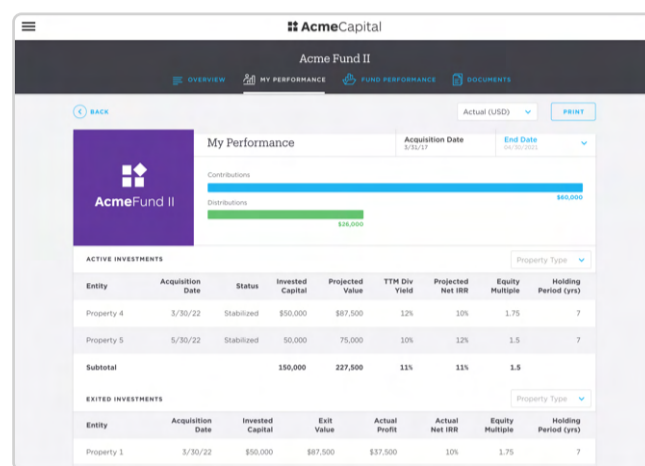

No matter how complex your organization's infrastructure may seem, Relevant EquityWorks can deliver transparency and convenience, streamline workflows, manage more volume, and unlock valuable real-time insights.

## Investor Dashboard

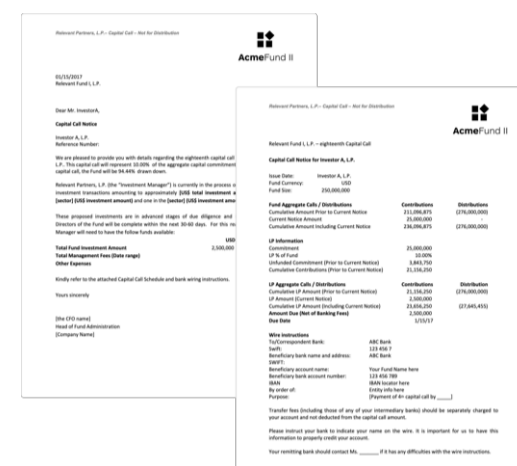

Present a summary of your fund and direct investments with rich data visualizations and tables.

## Performance Reporting

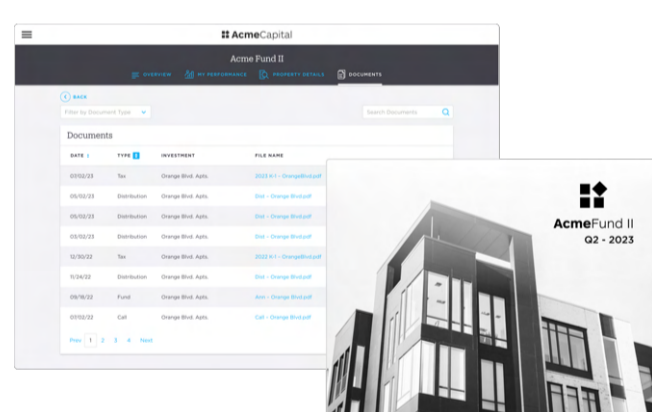

Drill down to gain valuable insight into the performance of your investments and assess risk.

## LP Communications

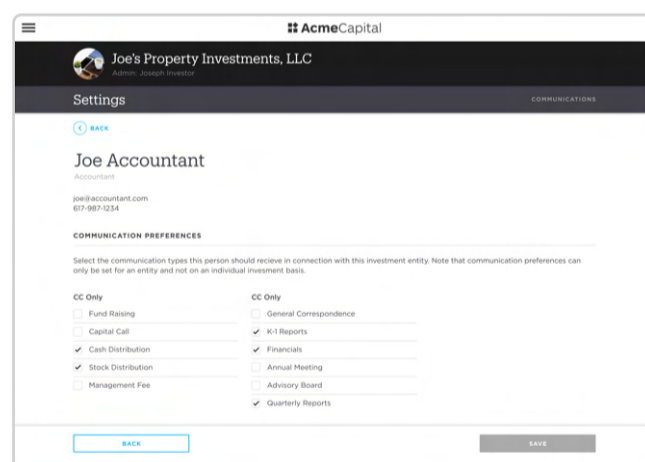

Deliver notifications for calls, distributions, and other important events.

## Document Management

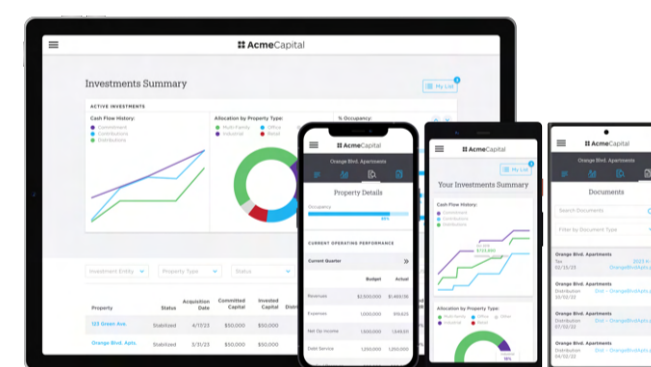

Offer investors a centralized document repository for accessing investment and tax documents, such as quarterly reports and K-1s.

## Investor Data Management

Provide limited partners with secure access to update their investor entities, notification preferences, and KYC data.

## Mobile Access

Support users on the go with the same immersive experience on their smartphones, tablets, and web browsers.

Relevant delivers software experiences that help private equity professionals get more done, with less effort, while enhancing communications and transparency for your fund's investors.
