

Fund Raising Portal

Compress funding timelines with our groundbreaking way to share new fund and direct investments.

A Part of the Relevant EquityWorks Platform

Fund Raising Portal

Let investors review deals, make commitments, and update KYC details.

Fund Accounting Software

Tools of the trade to conveniently drive efficiency through your back office.

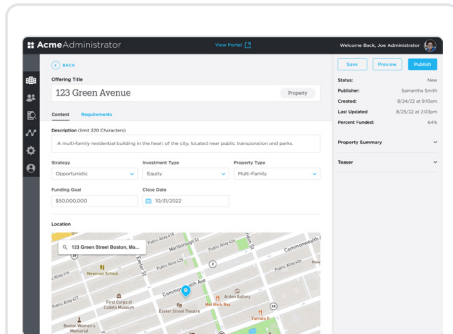

Investor Reporting Portal

An immersive experience that delivers the transparency LPs deserve.

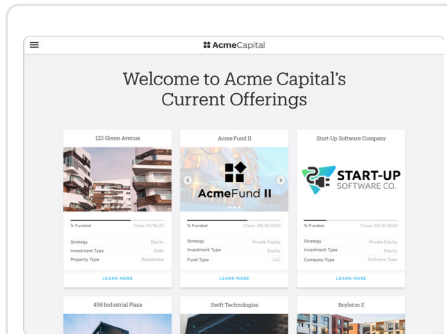

A Groundbreaking Way to Share New Deals With Investors.

Tell your unique story about each fund or direct investment opportunity with our Offering Templates, then provide investors with an easy way to review deals and make commitment decisions.

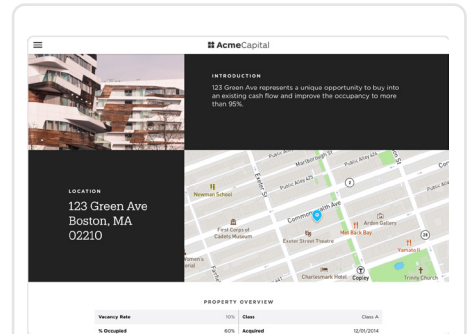

Create an Offering

Pour what's special about a deal into a template.

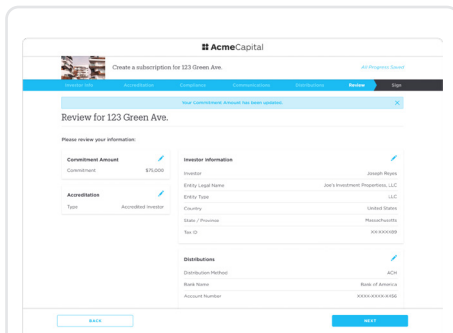

Display Current Offerings

Invite investors to shop for new investments.

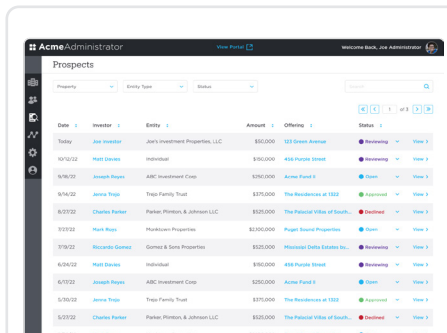

Review Current Offerings

Provide rich detail, including photos, highlights, and due diligence documents.

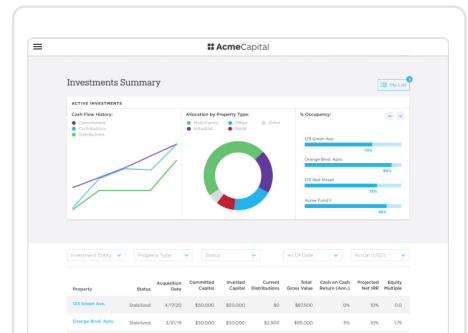

Make Investments

Let prospects invest with a few clicks.

Process Subscriptions

Fast-track "dual custody" approvals.

Report Performance

Provide an immersive Investor Portal experience.

Relevant delivers software experiences that help private equity professionals get more done, with less effort, while enhancing communications and transparency for your fund's investors.
