

Investor Reporting Portal

Enhance investor relationships with unprecedented communications and transparency through a branded investor reporting portal experience.

A Part of the Relevant EquityWorks Platform

Fund Raising Portal

Let investors review deals, make commitments, and update KYC details.

Fund Accounting Software

Tools of the trade to conveniently drive efficiency through your back office.

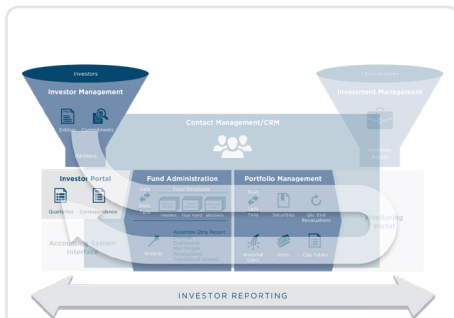

Investor Reporting Portal

An immersive experience that delivers the transparency LPs deserve.

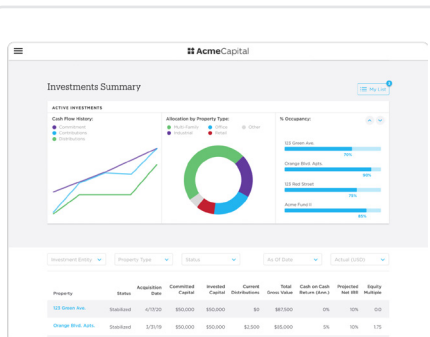

An Immersive Experience that Delivers the Transparency LPs Deserve.

Let investors explore performance from every angle, while reviewing your curated story about each fund and direct investment. LPs can update their KYC data too.

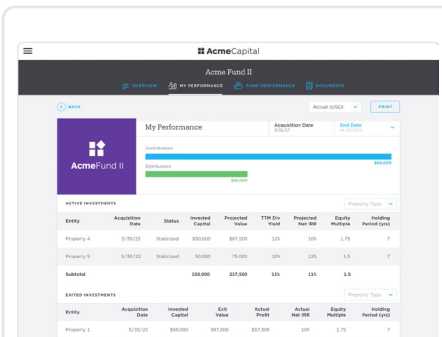

Post Documents to Investor Portal

Reach across the platform to create branded fund communications.

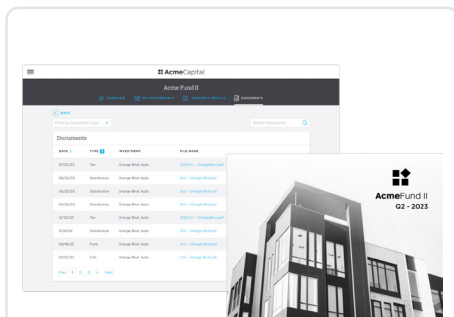

Present a Summary of Investments

Let investors drill-down into funds and direct investments.

Tell Your Story About Every Deal

Provide an overview, individual and fund returns, and financials.

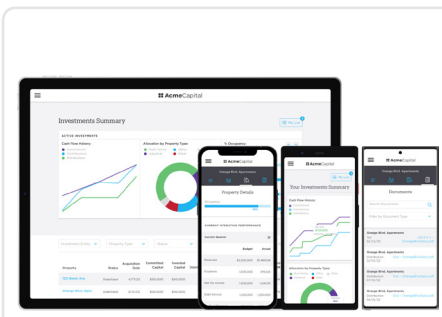

Provide Document and Tax Centers

Retrieve notifications, quarterlies, and tax docs.

Let Investors Update Their Details

Accept edits and route for approval.

Support Mobile Users

Provide the same immersive experience on the go.

Relevant delivers software experiences that help private equity professionals get more done, with less effort, while enhancing communications and transparency for your fund's investors.
