

Private Equity

Real-time visibility into the firm's most critical processes.

The Relevant EquityWorks Private Equity Platform

Fund Raising Portal

Let investors review deals, make commitments, and update KYC details.

Fund Accounting Software

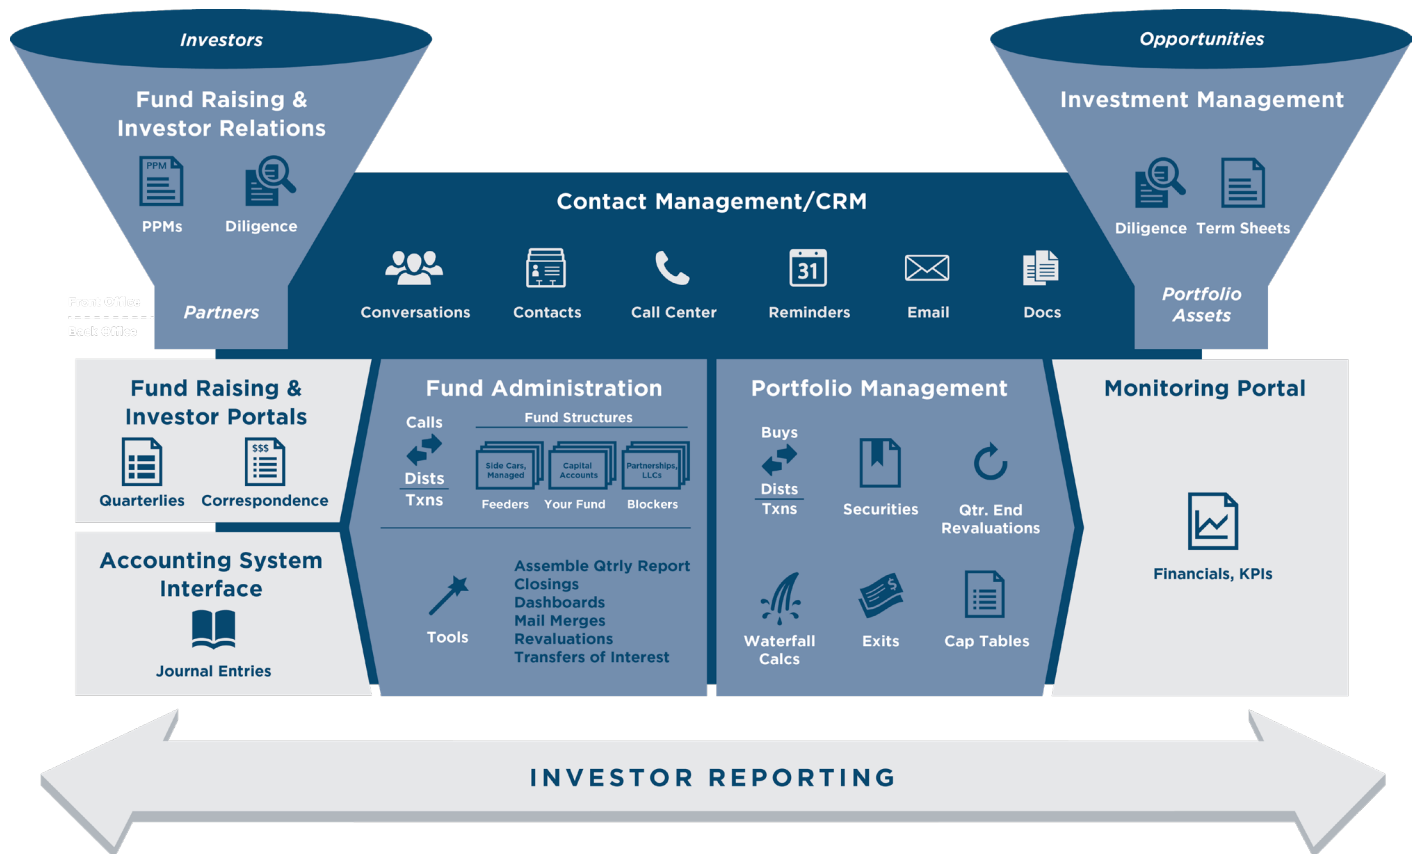

Tools of the trade to conveniently drive efficiency through your back office.

Investor Reporting Portal

An immersive experience that delivers the transparency LPs deserve.

Relevant EquityWorks helps you scale with confidence.

The platform you need to manage investors, fund structures, and portfolio company holdings.

This configuration of Relevant EquityWorks is for PE firms with:

- Hundreds of investors and their investment entities.
- Complex fund structures (e.g., multiple fund entities, parallel vehicles, blockers, or share classes).
- Dozens to hundreds of portfolio company investments.

Relevant delivers software experiences that help private equity professionals get more done, with less effort, while enhancing communications and transparency for your fund's investors.
